DISCLAIMERS

As used in these Legal & DMCA Notices, “Rithum” means Rithum Corporation (formerly known as ChannelAdvisor Corporation) and Rithum, LLC (formerly known as CommerceHub, Inc. dba CommerceTechnologies, LLC), together with their respective affiliates and subsidiaries; and the “Site” means rithum.com, together with the related websites, applications, and services operated by Rithum.

The USER expressly agrees that use of Rithum® is at the USER’s sole risk. Neither the Site, nor Rithum, nor its affiliates, nor any of their officers, directors, employees, agents, third-party content providers, merchants, sponsors, licensors (collectively, “Providers”), or the like, warrant that the Site will be uninterrupted or error-free; nor do they make any warranty as to the results that may be obtained from the use of the Site, or as to the accuracy, reliability, or currency of any information content, service, or merchandise provided through the Site. Under no circumstances shall Rithum, any Provider, or any other party involved in creating, producing, or distributing the Site be liable for any direct, indirect, incidental, special, or consequential damages that result from the use of or inability to use the Site, including but not limited to reliance by a USER on any information obtained from the Site or that result from mistakes, omissions, interruptions, deletion of files or email, errors, defects, viruses, delays in operation or transmission, or any failure of performance, whether or not resulting from acts of God, communications failure, theft, destruction, or unauthorized access to the Site’s records, programs, or services. The USER hereby acknowledges that this paragraph shall apply to all content, merchandise, and services available through the Site. Because some states do not allow the exclusion or limitation of liability for consequential or incidental damages, in such states, liability is limited to the fullest extent permitted by law.

CONTENT

The USER acknowledges that the Site contains information, data, software, photographs, graphs, videos, typefaces, graphics, music, sounds, and other material (collectively “Content”) that are protected by copyrights, trademarks, trade secrets, or other proprietary rights, and that these rights are valid and protected in all forms, media and technologies existing now or hereinafter developed. All Content is copyrighted as a collective work under the U.S. copyright laws, and Rithum owns a copyright in the selection, coordination, arrangement, and enhancement of such Content. USER may not modify, remove, delete, augment, add to, publish, transmit, participate in the transfer or sale of, create derivative works from, or in any way exploit any of the Content, in whole or in part. If no specific restrictions are displayed, USERS may make copies of select portions of the Content, provided that the copies are made only for USER’s personal use and that USER maintains any

notices contained in the Content, such as all copyright notices, trademark legends, or other proprietary rights notices. Except as provided in the preceding sentence or as permitted by the fair use privilege under the U.S. copyright laws (see, e.g., 17 U.S.C. Section 107), no Content may be copied, reproduced, republished, uploaded, posted, transmitted, or distributed in any way without Rithum's prior written consent.

Rithum makes no representations about the suitability of the information contained in the website and related graphics published on this website for any purpose. All such information and related graphics are provided "as is" without warranty of any kind. Rithum hereby disclaims all warranties and conditions with regard to this information, including all implied warranties and conditions of merchantability, fitness for a particular purpose, title and non-infringement. In no event shall Rithum be liable for any special, indirect or consequential damages or any damages whatsoever resulting from loss of use, data or profits, whether in an action of contract, negligence or other tortious action, arising out of or in connection with the use or performance of software, provision of or failure to provide services, or information available from this website.

Rithum does not warrant the accuracy or completeness of the information, text, graphics, links or other items contained within this Website. Rithum may make changes to these materials, or the products described in this Website, at any time without notice. Rithum makes no commitment to update the information contained in this Website.

USER-GENERATED CONTENT: SUBMISSIONS INCLUDING BLOG COMMENTS

- Be courteous. You agree that you will not threaten or verbally abuse other commenters, customers or Rithum clients, use defamatory language, or deliberately disrupt discussions with repetitive messages, meaningless messages or "spam."
- Use respectful language. Like any community, the online conversation flourishes only when our members feel welcome and safe. You agree not to use language that abuses or discriminates on the basis of race, religion, nationality, gender, sexual preference, age, region, disability, etc. Hate speech of any kind is grounds for immediate and permanent suspension of access to all or part of the features and functionality of the Site.
- Debate, but don't attack. In a community full of opinions and preferences, people always disagree. Rithum encourages active discussions and welcomes debate. Personal attacks are not debate and may be grounds for immediate and permanent suspension of the privilege of commenting on the Site.

Submissions made to the Site may also be included in our RSS feeds, APIs or made available for republishing through other formats. By making a Submission, you are consenting to its display and publication on the Site, and for related online and offline promotional uses.
- We have your permission to reuse your content. You grant Rithum a perpetual, nonexclusive, world-wide, royalty free, sub-licensable license to the Submissions, which includes without limitation the right for Rithum or any third party it designates, to use, copy, transmit, excerpt, publish, distribute, publicly display, publicly perform, create derivative works of, host, index, cache, tag, encode, modify and adapt (including without limitation the right to adapt to streaming, downloading, broadcast, mobile, digital, thumbnail, scanning or other technologies) in any form or media now known or hereinafter developed, any Submission posted by you on or to the Site or any other website owned by Rithum, including any Submission posted on or to the Site through a third party.
